PARTS***

## About Us

Aopec is your trustworthy aftermarket supplier and brand partner from China, through its extensive supply chain, complete QC processing and expertise service team!

Aopec is a premium manufacturer both in direct investment and joint ventures for Automotive Electrics in China, since the year of 2002. We are the qualified OE supplier to some car makers and several big brands. TS standardized QC control with the lean manufacturing process makes us a reliable partner with the customers on design, quality, delivery and services.

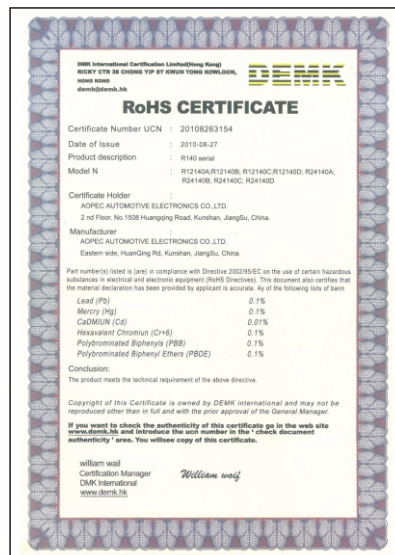

Aopec is carrying a big range of aftermarket parts, with more than 500 selected suppliers to cooperate and 30 categories, we are providing the one-stop solutions and capable to protect the customers' business properties from IP, Patent Packages, Distribution Network, etc. We are taking the active commercial insurance to cover the customers' concerns and expanding to supply more and more onsite services through the local team in the different countries.

Our SOP (Special Program Management) offers a better solution for different demands and different markets.

Aftermarket - The range includes Blowers Assemblies, Compressors Parts, Compressors, Condensers, Evaporators, Fans, Heater Assemblies, Heater Cores, Heater Taps, Hose & Line, Idler Pulleys, Louvres, Receiver Driers, Thermostats, TX Valves.

Continuous new product development plan to meet the growing market demand.

Complete and strict QC line makes sure qualified products to customers and users.
