

IGNITION SWITCHES

About Us

Aopec was founded in the year of 2003, focus on automotive parts for more than 10 years. Year 2006, invested in manufacturing Automotive Relay and Battery Management System to OE customers. April, 2013, Aopec USA LLC. was set up in CA, to be with our customers in NA to make a valuable cost down plan, Walmart, Autozone is working well together.

It is not only a premium manufacturer both in direct investment and joint ventures for Automotive Electrics, but also carrying a big range of aftermarket parts, with more than 500 selected partners under 30 categories in China. TS standardized QC control with the lean manufacturing process, Global Supply Chain Management and One-Stop Solution make Aopec a reliable partner with the customers on design, quality, delivery and services.

Aftermarket - The range of body parts for most vehicle application in the market.
 OE - Automotive Relay / Battery Isolator Switch / Battery Charger / Auto Switch/Marine Switch/Race Switch

AOPEC

www.aopec.com

To continue to meet the growing automobile accessories and services, we are always struggling.

www.aopec.com

To meet every customers' high requirement,
Do our best to create product and service.
