# Battery Chargers

Your Batteries' Doctor

AOPEC Chargers give you a revolution in battery charging technology. Its multiple stage desulfation, charging and analysis ensures a fully charged and well maintained battery every time. AOPEC chargers are compact and durable, allowing it to operate in a compact, dusty, and humid environment. The product has passed UL certification ULNo.E50969.

## Functional Characteristics

- MCU- controlled
- 5-Step charging process
- LED charge steps display
- Error warning
- Surge protecton
- Battery reverse polarity protecton
- Over-voltage protecton
- Over-current protecton
- Short-circuit protecton
